

HUNGARIAN VIZSLA CLUB APPROVED BREEDER SCHEME

This scheme, which is run and administered by the Hungarian Vizsla Club aims to identify those breeders who have demonstrated their commitment to the breeding of Hungarian Vizsla by agreeing to comply with criteria for breeding which aim to ensure the highest possible standards of health and welfare for the dogs and puppies concerned. For the purposes of this scheme Stud dog owners can be regarded as a breeder. Requirements to stay on the scheme will be reviewed annually to take account of any future health issues or health tests that are deemed necessary.

Members will:

- 1. Hold membership of the Hungarian Vizsla Club.*
- 2. Comply with Club rules (section 9: Breeders Code of Best Practice) and the KC General Code of Ethics regarding the age, number of litters and health testing of all breeding stock.*
- 3. Permanently identify all breeding stock with microchip and aim to have DNA profiling regarding parenting within 1 year of joining.*
- 4. Register stock with the Kennel Club and provide the KC registration document at time of handover of puppy.*
- 5. Socialise puppies before leaving dam and provide puppy pack detailing feeding, continuing training and exercising. Details of the pack which will be provided to new puppy owners should accompany the application to go on the Register.*
- 6. Ensure puppy is properly wormed and advise as to future worming and immunisation.*
- 7. Provide contract of sale, endorse puppies' registration documents with Kennel Club endorsements R and X regarding future breeding both in this country and abroad and explain this procedure to new owner.*
- 8. Be available for help and advice to new puppy owner and return/rehoming of puppy should this prove necessary.*
- 9. Comply with any and all statutory legislation in respect of the owning, keeping and breeding of dogs.*

Any approved breeder must not advertise that they have the status if at any time, for whatever reason, they are removed from the list.
