

## **THE HUNGARIAN VIZSLA CLUB 7<sup>th</sup> OCTOBER 2012**

It was an honour to be asked to judge at the club show & I very much enjoyed my time spent going over a sizable entry. I do however feel that the breed is losing some of its breed points which does make it an Hungarian Vizsla. I was a little disappointed to find that presentation i.e .clean dogs & teeth & short nails were in the minority & that handling could have been a little more professional.

### **DOGS**

#### **Minor Puppy 1 (1ab)**

#### **Puppy 2 (1ab)**

1.Parr/Sutton's PARCROFT HOT TODDY, good body mass on correct size frame. He has good rear angles which he used well on the move. Handled & presented well .BPIS

#### **Junior 4 (1ab)**

1. Harper's PITSWARREN RAFAEL, he was very stiff in his body & unable to relax into his frame. He moved well in profile.
2. Beckinsale's TIBOR GECSEK, handler & dog need to practice more together & in doing so will produce the outline & movement needed.
3. Chipper's ZAVIS OLYMPUS

#### **Yearling 3**

1. Evans' TRAGUS STAR CHASER, a little on the leggy side for me & I would have liked a little more body mass. Good tail set which was held well on the move.

3. Goodchild's REGALEEROSSO EMERALD STAR

#### **Post Graduate 9 (1ab)**
