

I would like to thank the officers and committee of The Hungarian Vizsla Club for the invitation to judge the specials classes. It was an honour to be able to judge one's own breed, and a day I enjoyed very much. Sincere thanks to the exhibitors for entering their dogs, and their gracious acceptance of the judgements. Huge thanks to my steward Marta Binkowka who did a fabulous job, very much appreciated. It was fabulous to have a good entry to go over. I found quite a variation in type, some very light of bone, narrow in chest and tight behind. Some fabulous dogs, some young and needing time to mature.

#### Junior Class:

1<sup>st</sup> McDonald Ms C, Mrs T, Mr S.

Donurie's Hercules; At just over a year old I found this young dog to be well put together for his age. Pleasing head with correct ear set, dark eye and lovely expression. Good forechest and well laid-back shoulder, good spring of rib. Correct topline which he held on the move. Happy at his job. Just needs time to mature.

2<sup>nd</sup> Miss S Davis.

Perlanside Royal Fanfare; Nice head and expression, good dark eye, correct ear set. Would have liked more sternum. Good topline and shoulder placement, nice tight feet. Correct tail set. Moved out well holding topline on the move.
